

Immanuel Bible Church Member Scholarships to Immanuel Christian School

WHAT IS THE IBC MEMBER SCHOLARSHIP?

Children of Immanuel Bible Church (IBC) members are eligible for an Immanuel Christian School (ICS) scholarship of up to \$1,000 per student, per school year.

HOW IS THE SCHOLARSHIP APPLIED?

The scholarship amount is applied prior to the application of other discounts for which the family is eligible. The *net tuition after scholarship* will be calculated first, then other discount percentages will be applied to that net tuition amount to arrive at the final net tuition due.

If scholarship eligibility is confirmed after other discounts have already been applied to the student's account, those discounts will be recalculated at the time the scholarship is applied, and the student's payment schedule will be adjusted, as applicable.

HOW DOES ICS KNOW A STUDENT QUALIFIES FOR THE SCHOLARSHIP?

It is the responsibility of the IBC member to request the scholarship by contacting Immanuel Christian School's [Enrollment Manager](#) or [Finance Director](#). Recent IBC members should provide a copy of their IBC membership confirmation notice to the school to confirm their date of eligibility. ICS will re-confirm membership with IBC annually.

WHEN IS A NEW MEMBER ELIGIBLE FOR A SCHOLARSHIP?

Discounts are not applied retroactively. For scholarship requests from families who are IBC members and who provide confirmation *prior to the start of the school year*, the maximum scholarship amount will be applied. If membership is confirmed during the 1st semester of the school year, a student would be eligible for half the normal scholarship for that school year. Once the second semester starts, eligibility for a scholarship would begin in the following school year.

If scholarship eligibility is confirmed after other discounts have already been applied to the student's account, those discounts will be recalculated at the time the scholarship is applied, and the student's payment schedule will be adjusted, as applicable.

WHAT IS THE IMMANUEL BIBLE CHURCH MEMBERSHIP PROCESS?

The membership process is several steps and can take anywhere from several weeks up to several months, depending on scheduling. Membership requires attending a membership class as well as a follow-up interview and subsequent confirmation of membership by vote at one of the monthly IBC Elder meetings.
