McNally Fund for Christian Character-In-Action

The McNally Fund for Christian Character-In-Action is designed to focus our attention upon the important goal of Christian education. That goal is the imitation of Jesus Christ Himself. It is to move us from hearer to doer, to move us from merely hearing the words that Christ spoke to doing what Christ taught us to do.

Dan McNally served as the Assistant Administrator at Immanuel Christian School from 1997 - 2005. He died in June 2005 after a courageous battle with brain cancer. Throughout Dan's life, he was firm in his conviction that attention should never be placed upon himself or any other human individual, but rather upon Christ, the divine object of our faith and practice. Yet even as the Apostle Paul said, "be imitators of me, just as I also am of Christ," (1 Corinthians 11:1) it is appropriate that we use the McNally Fund to lift up and honor the name of Jesus Christ as exemplified in the life of Dan McNally. It is a fitting recognition of our goal as a Christian school and of Mr. McNally's legacy to future generations of Immanuel Christian School students.

The McNally Fund provides financial assistance to ICS eighth grade students for programs and training that promote Christian character in action.

There are two components to this fund: Scholarships, which are available to every 8th grade student, and the McNally Award for Christian Character-in-Action, which is given to one 8th grade student each year.
